ROLLER GRILL PROFESSIONAL ELECTRIC WAFFLE IRON (GES 10)

THE PROFESSIONAL WAFFLE IRON BRUXELLES GES 10 IS ONE OF THE ESSENTIAL WAFFLE MAKERS FOR CLASSIC BELGIAN WAFFLES!

The professional electric waffle iron GES 10 ensures perfect cooking of Belgian waffles Bruxelles without turning over the machine!

The professional electric waffle iron GES 10 is equipped with two cast-iron moulds containing 2 imprints each for the cooking of 4 Bruxelles waffles. 4 golden Belgian waffles are cooked at 230 ° C in 3 minutes, 120 Bruxelles waffles per hour!

The cast-iron plates of this professional waffle iron are fixed. The power is sufficient under each plate, the waffle maker does not need to be turned over finish the baking. The waffles are perfectly cooked without further manipulation of the appliance.

This electric waffle iron is especially intended for table service in tearooms and restaurants. It is also appreciated during animations for associations, festivals and fairs.

The professional electric waffle iron GES 10 is designed for pre-cooked frozen waffles, frozen pieces of dough and also for fresh, homemade waffles.

THE ELECTRIC WAFFLE MACHINE GES 10 : A REAL PROFESSIONAL WAFFLE MAKER !

The plates of the electric waffle machine are made of cast-iron. The use of a cast-iron plate with a high conduction value makes it possible to spread the heat evenly and to obtain well-gold and crispy waffles in just 3 minutes. This professional waffle maker is meant for intensive use.

A patented stainless steel tray is placed around the bottom plate of the waffle iron: it recovers excess batter and makes the cleaning very easy.
