Description

ROLLER GRILL PROFESSIONAL DOUBLE WAFFLE IRON (GED 20)

THE DOUBLE WAFFLE IRON LIÈGE GED 20 IS ONE OF THE ESSENTIAL WAFFLE MAKERS FOR CLASSIC BELGIAN WAFFLES!

The double waffle iron GED 20 ensures perfect cooking of Belgian waffles Liège without turning over the machine!

The double waffle iron GED 20 is equipped with two cast-iron moulds containing 2 imprints each for the cooking of 4 Liege waffles. 4 golden Belgian waffles are cooked at 230 ° C in 3 minutes, 120 Liege waffles per hour! This McCain-compatible waffle maker allows you to heat 4 McCain waffles in 45 seconds, or 320 McCain waffles per hour!

The cast-iron plates of this professional waffle iron are fixed. The power is sufficient under each plate, the waffle maker does not need to be turned over finish the baking. The waffles are perfectly cooked without further manipulation of the appliance.

This electric and double waffle iron is especially intended for table service in tearooms and restaurants. It is also appreciated during animations for associations, festivals and fairs.

The professional double waffle iron GED 20 is designed for pre-cooked frozen waffles, frozen pieces of dough and also for fresh, homemade waffles.

THE ELECTRIC DOUBLE WAFFLE MAKER GED 20 : A REAL PROFESSIONAL WAFFLE IRON !

The plates of the electric double waffle maker are made of cast-iron. The use of a cast-iron plate with a high conduction value makes it possible to spread the heat evenly and to obtain well-gold and crispy waffles in just 3 minutes. This professional waffle iron is meant for intensive use.

A patented stainless steel tray is placed around the bottom plate of the waffle iron: it recovers excess batter and makes the cleaning very easy.
