Description

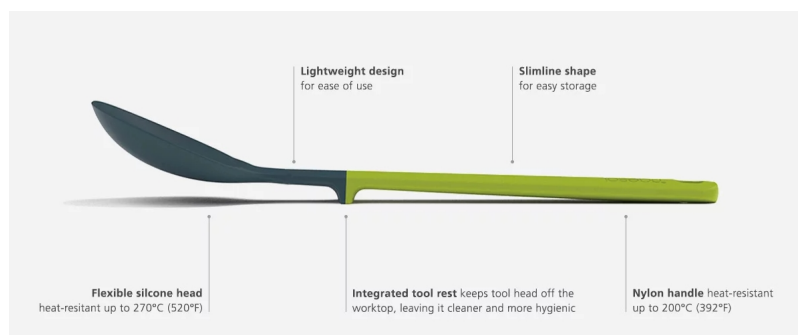

### ELEVATE™ SILICONE SLOTTED TURNER

Introducing our new Elevate™ range of single kitchen utensils now available in silicone. Each tool has an innovative lightweight, slimline handle with an integrated tool rest. This ensures that the head is always raised off of the work surface when placed down, to improve hygiene and reduce mess in your kitchen.

These utensils feature a high quality flexible silicone tool head that is heat-resistant up to 270°C/520°F. Perfect for high heat cooking such as deep frying.

#### Dishwasher safe.

Caution: Do not leave utensil in cookware whilst cooking. To prevent staining, avoid using with strong colourants such as turmeric.
