Description

NON-SLIP, MULTI-FUNCTION CHOPPING BOARD

Cut&Carve™ Plus is the latest version of our popular double-sided, multi-function chopping board. It has an integrated meat grip on one side of the board, angled cutting surfaces and easy-pour corners, which help in the collection and disposal of liquids or food when cutting or carving.

The opposite side of the board provides a smooth cutting surface, for general food preparation, and it also has non-slip feet and soft-grip sides.
