Description

Multipurpose milk frother, easy to use, with a 500W power and a 140ml capacity for frothed milk and 250ml for hot milk.

The transparent cap allows the control of the froth, and with a single button you can activate 2 functions: hot and cold froth. It's ideal for the preparation of different drinks in every moment: coffee and milk, cappuccino, milk cream, shaken coffee, hot or cold chocolate.

The non-stick coating makes the cleaning super-easy. Automatically goes off and keeps the external surfaces cool.
